

Syracuse Safety Stand Down

Join us for an engaging FAASTeam event featuring a panel of highly experienced aviation professionals focused on the decisions, habits, and practices that impact every flight you make.

This event brings together respected industry experts including David St. George, Gene Benson, John McGraw, Chris Blas, and Ron Ciura—each offering real-world insight drawn from decades of experience.

Attendees will gain practical knowledge and takeaways on:

Aircraft maintenance tasks pilots can safely perform

Pre-flight procedures—what to do and what to avoid

Go-arounds: “The Greatest Landing You Have Never Made”

UAS activity and the increasing presence of drones in the Syracuse area

Don't miss this opportunity to learn from seasoned professionals and strengthen the skills that enhance your safety and decision-making every time you fly.

Directions to the John Walsh Conference Room

First floor of the Syracuse Airport Terminal. Enter terminal via Door 3 (center) then proceed to Grand Hall, stay left of escalators near SYR sign, then continue to back left of terminal building. Follow signs to conference rooms. John Walsh Conference Room is adjacent to the Aviation History Museum

Parking: Park in the garage or any lot. Parking is free with validation—bring your ticket into the conference for validation

This event features six outstanding speakers covering a wide range of topics, providing over six hours of valuable training with WINGS and AMT credit.

A message from the National FAASafety Team Manager
