

FAASTeam presents:

Eastern Region Rotorcraft Safety Summit

Regardless of the area of Helicopter Operations you may work in the same Safety Principles apply to all. Join HAI, IHST and FAAST in driving the accident rate DOWN and discover best practices for your operation. IS-BAO and HAI Accreditation will be covered. NYC and LAX helicopter issue updates will be discussed by Ann Carroll, VP HAI.

Directions: Conference room

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
