

The FAA Safety Team presents:

Chicago Helicopter Safety Workshop for Professional & Commercial Pilots

So you've been flying for many years, and you think you know it all? Think again! This FREE workshop is specifically tailored for professional and commercial helicopter pilots who have many years of flying experience. The workshop will cover topics relevant to seasoned professionals and address regional issues such as human factors, wire strike avoidance and much more. Featured speakers include Stan Rose, Director of Safety for Helicopter Association International. Don't miss it!

Directions: The room number will be posted in the lobby of the Hilton Garden Inn.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
