

NEW MEXICO ROTORCRAFT AIRCREW SAFETY CONFERENCE

Wednesday, November 14, 2012

8:00AM - 4:00PM

**Best Western Rio Grande Inn
Albuquerque, NM**

(SW CORNER OF I-40 AND RIO GRANDE)

National Safety Experts and Pro Instructors

Join us for the very latest information on safety issues facing the rotorcraft industry, presented by some of the top experts in their fields. All New Mexico area rotorcraft aircrews are invited to any parts or all of a **free** day-long safety conference with a wide variety of seminars, including:

- **Rotorcraft Industry Safety Overview and Current Initiatives (HAI)**
 - **New Mexico Rotor Safety with ABQ FAA FSDO and NM ATC**
 - **Recent NM Incidents - In Flight Tail Rotor Failure**
 - **Both Side of the Laser Issue - Enforcement & the "Real" Danger**
 - **Surviving the Wires Environment**
 - **TFR issues in New Mexico and the USA**

INSTRUCTORS INCLUDE:

Stan Rose - Director of Safety, Helicopter Association International (HAI) - US Army pilot in Viet Nam and Maintenance Officer/Test Pilot. Additional experience in the Gulf of Mexico and as lead pilot for air medical ops. Rose also served as a law enforcement agency Chief Pilot.

Tom Long - Safety Director, NM State Police, Aircraft Section - Former Chief of Flight Safety for USAF 58th Special Operations Wing, Kirtland AFB, NM.

FREE training. Earn FAAST credits. Lunch provided, contributions accepted to help cover cost.
