

# SAFETY

## Attend the FAASTeam/HAI Helicopter Safety Seminar

- The 3 things you need to compete in this rotary-wing job market
- Local-industry chief pilots address what they expect in pilot candidates
- How the FAASTeam makes you more competitive
- What HAI can do for you NOW!
- Speak one-on-one with active industry pilots on your career strategy
- Your competition will be here!

*Lunch and breaks sponsored by HAI*

The FAA Safety Team (FAASTeam) and Helicopter Association International (HAI) invite you to attend a **Helicopter Safety Seminar for General Aviation Pilots, Certified Flight Instructors, and Student Pilots**. The agenda will include sessions on safety, operations, and career development.

**January 15, 2013 (8:30 am – 4:30 pm)**  
Charlotte Motor Speedway Media Center  
555 Concord Parkway South Concord, NC 28027  
Phone: (704) 455-3200

FAA Safety Team  
FAASTeam
