

## SMS & Decision-Making Workshop at HELI-EXPO 2013

Looking to start or improve a Safety Management System (SMS) in your organization? Join the cast of the International Helicopter Safety Team (IHST) in a lively, and interactive discussion on implementing and using an SMS. This workshop will also feature pilot decision making to include the use of a flight risk management tool.

**Directions:** North Hall, Room N102.

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
