

EAA Chapter 73 Meeting

Now you have your dream aircraft built and it is time to go fly!!! Are you ready? What planning is necessary for a first flight in an Experimental, Homebuilt aircraft? What risks are involved and how can we mitigate these risks? Please attend this EAA chapter meeting and learn what is involved in a first flight. Click the link below and register TODAY.

Directions: Conference room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
