

WIIFM - 'What's In It For Me?' - The ROTOR, SEA or regular WINGS PROGRAM

Find out how you can excel by becoming part of the FAA Pilot Proficiency Award Program [also known as WINGS] by participating in a recurrent training program designed to mitigate GA Accident rates. This is your opportunity to improve your proficiency; join the more than 19,000 pilots who are phased in WINGS. If you use the system now we will show you easy ways to get credit, or as a CFI, to give credit. Click the link below and register TODAY.

Directions: Turn left inside main doors

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
