

Are You in Command, The Weather or the Laws of Physics?

Incomplete preflight weather and lack of airplane knowledge are just 2 areas that will put YOU as the PIC behind the power curve! Don't start a flight without thorough planning. What constitutes that planning will be discussed at this seminar. Register early by clicking the link below!

Directions: Manager's Conference room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
