**IMC Club Lincoln Park Chapter - Monthly Meeting followed by  
our First Annual Holiday Party!**

For December's IMC Club Chapter Meeting, please meet at Sunset Pub and Grill at 7:00pm. The reservation will be under "IMC Club". We will have a short meeting and discussion of the role of Personal Minimums, Risk Management and Aeronautical Decision Making in accident prevention. The meeting will be followed by our First Annual IMC Club Holiday Party! Feel free to bring guests, but please register them. Dinner and drink at your own expense. Hangar flying will be full throttle! IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. IMC Club believes that safety and proficiency are developed through education and experience.

Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. Open to everyone. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

If you cannot attend this event and have registered online, please remove your registration or call to have your name removed so others may attend.
