

The FAA Safety Team presents:

Max Impact: A Story of Survival at HAI HELI-EXPO 2015

A helicopter air ambulance crashed into the Potomac River Jan. 10, 2005, leaving two fatalities and a sole survivor. The session will present the events of the flight, lessons learned, and take-home points for flight crews. This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2015. Rotor Safety Challenge course are FREE to all HELI-EXPO 2015 attendees and exhibitors. Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition. Take the Safety Challenge in three simple steps: 1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule -

<http://www.rotor.com/takethechallenge>. 2. At the conclusion of each session, receive a token from the room monitor or presenter. 3. Once you have earned at least six chips, take them to the HAI Safety Committee Booth (#1115) to receive a certificate of recognition. Note: You must present your HELI-EXPO attendee badge to attend any Rotor Safety Challenge sessions. For more information contact HAI at 703-683-4646, or <mailto:education@rotor.com>.
