

# Basic Knowledge Seminar

## March 24<sup>th</sup>, 2015

### “Nextgen”

#### The Next Generation of Avionics for General Aviation Aircraft

Featuring  
Garmin ADS-B solutions

Presented By: Michael Kerrigan, Garmin International  
and Robert Thorson, FAA Safety Team Program Manager

2020 is not that far away and you are reading a lot about ADS-B requirements. You want to know what it will mean to General Aviation in our area. Make a reservation and please attend this Seminar to hear the theory from the FAA and what it will take to update your aircraft from an OEM.

**This program will be “Wings and AMT Approved”**

**Please Register on line for credit @**

<http://www.faasafety.gov>

**C&W Sponsored Complimentary Gourmet Dinner starting at 5:00 PM  
(FREE Chili and Hot Dogs with Fixings and Drinks)**

**Door Prizes will be drawn at the end of the Seminar**

**Also Garmin “Seminar Savings Bucks” will be available. And a one-year subscription to Garmin Pilot for the iPad or Android will be given away at the end of the evening**
