

The FAA Safety Team presents:

Operation Cloud-bound: Helicopter Instrument Proficiency at HAI HELI-EXPO 2015

The notion of “use it or lose it” is certainly true when it comes to maintaining instrument proficiency. Because helicopters are predominately operated under visual flight rules conditions, and since most helicopters are not even instrument flight rules–certified, instrument skills in helicopter pilots tend to be marginal at best. Whether a particular mission involves training, an actual instrument cross-country, or a practical test, the pilot’s preparation is reflected in the overall results. It’s always better to over-prepare for an instrument flight than to be caught off-guard and fall behind the aircraft.

This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2015. Rotor Safety Challenge sessions are FREE to all HELI-EXPO 2015 attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule - <http://www.rotor.com/takethechallenge>.

Event Details

Wed, Mar 4, 2015 - 11:00 EST

Orange County Convention Center

9990 International Drive

Level III South

Orlando, FL 32819

Contact: HAI

(703) 683-4646

education@rotor.org

Select #: EA2559568

Representative Anne Nevel

2. At the conclusion of each session, receive a token from the room monitor or presenter.

3. Once you have earned at least six chips, take them to the HAI Safety Committee Booth (#1115) to receive a certificate of recognition.

Note: You must present your HELI-EXPO attendee badge to attend any Rotor Safety Challenge sessions.

For more information contact HAI at 703-683-4646, or <mailto:education@rotor.com>.

Directions: Level III South

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
