

The FAA Safety Team presents:

Training: The Safety Vaccination at HAI HELI-EXPO 2015

This session presents a unique view of why and where training should be used to develop a culture of safety across the industry and reduce helicopter accident rates. It compares the success of various medical vaccination programs, such as polio and MMR, and suggests that training can act as the vaccination, with an initial “shot” (ab initio) and a “booster” (recurrent training) to “inject” an improved safety culture at all levels.

This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2015. Rotor Safety Challenge sessions are FREE to all HELI-EXPO 2015 attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule - <http://www.rotor.com/takethechallenge>.
2. At the conclusion of each session, receive a token from the room monitor or presenter.

Event Details

Tue, Mar 3, 2015 - 15:30 EST
Orange County Convention Center

9990 International Drive
Level III South
Orlando, FL 32819

Contact: HAI
(703) 683-4646

education@rotor.org

Select #: EA2560224
Representative Anne Nevel

3. Once you have earned at least six chips, take them to the HAI Safety Committee Booth (#1115) to receive a certificate of recognition.

Note: You must present your HELI-EXPO attendee badge to attend any Rotor Safety Challenge sessions.
