

## Starved and Exhausted - A WEBINAR!!!!!!

There is a difference between fuel exhaustion and fuel starvation but they can be traced back to a decision made by the pilot. We will look at some common misconceptions and some procedures to protect yourself against getting into either situation. Don't miss this exclusive event; register TODAY.

**Directions:** Attendees must register at the GoToMeeting website in order to attend this webinar. To Register, see the Additional Information Section in this announcement on [FAASafety.gov](http://FAASafety.gov).
