

# Basic Knowledge Seminar

## April 29<sup>th</sup>, 2015

### “Nextgen”

## The Next Generation of Avionics for General Aviation Aircraft

Featuring  
L3's ADS-B solutions

Presented By: Kim Stephenson & Joel Gibbons From L3  
and Robert Thorson, FAA Safety Team Program Manager

2020 is not that far away and you are reading a lot about ADS-B requirements. You want to know what it will mean to General Aviation in our area. Make a reservation and please attend this Seminar to hear the theory from the FAA and what it will take to update your aircraft from an OEM.

**This program will be “Wings and AMT Approved”**

**Please Register on line for credit @**
