

World Helicopter Day at the American Helicopter Museum- Brandywine Airport

Attention all helicopter pilots! Don't miss this landmark event featuring the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field! A panel of experts from Helicopter Association International (HAI), Medevac Foundation International, Liberty Helicopters and others will discuss issues affecting helicopter pilots, accident trends, Medical Transport and many more relevant topics. What you learn can make your flying easier and maybe save your life! Click on the link below to register and see all of the details!

Directions: Inside Museum

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
