

## IMC Club - Lincoln Park, NJ Chapter Meeting

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. IMC Club believes that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build experience. Open to everyone. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** Aero Safety Training is located between the hangars on the corner of Jacksonville Road and Beaverbrook Road. Beaverbrook Road is also known and mapped as Hillview Road. Parking is available in the main parking lot for Sunset Pub & Grill. Walk through the gate to Aero Safety. The meeting will be held in the conference room.
