

The FAA Safety Team presents:

Just Culture and the Accountable Executive: Why Should They Care? at HAI HELI-EXPO 2016

The success of an organization's safety management system (SMS) is contingent on the accountable executive setting the right tone and creating a positive safety culture with employees. Without proactive leadership and the willingness of senior managers to embrace a fair and learning culture, an organization's SMS is destined to fail.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.
2. At the conclusion of each session, receive an official token from the room monitor or presenter.
3. Once you have earned at least six tokens, drop by the HAI Safety Committee Booth on the show floor, turn in your chips to a committee member, and immediately receive a certificate of recognition.
