

The FAA Safety Team presents:

Navigating Medical Issues in Flight Operations at HAI HELI- EXPO 2016

This session will review medical issues that challenge pilots and flight operators. Attendees will gain an understanding of ways to address these challenges while minimizing employee downtime, enhancing a culture of safety, and optimizing the bottom line. Topics will include pilot medical certification, fitness for duty evaluations, and a discussion about the benefits of establishing a HIMS (Human Intervention Motivation Study) program within a helicopter operation.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.
2. At the conclusion of each session, receive an official token from the room monitor or presenter.
3. Once you have earned at least six tokens, drop by the HAI Safety Committee Booth on the show
