

FAASTeam presents:

The New FAA Compliance Philosophy

The new FAA Compliance Philosophy affects Airmen and FAA Aviation Safety Inspectors (ASI) equally. It provides the ASI, who directly interfaces with Airmen, the opportunity to determine the best course of action for an incident or accident preventing future occurrences. It also provides for training to be carried out by Industry peers rather than FAA Inspectors. Please attend so you know what to expect if you have a non compliance issue.

Directions: Please register for The New FAA Compliance Philosophy on Apr 28, 2016 7:00 PM EDT at:
