

FAASTeam Training and Dutchess County Airport Open House

Runway Safety is a 'hot topic' in the aviation industry. Join Gold Seal CFI John Trosie as he leads a discussion on ways to make your ground operation safer.

This seminar is designed to help you improve safety as you navigate around airports. We will present techniques pilots can use to plan their ground operations while taxiing within the Airport Movement Area. Please joins us during the Dutchess County Airport Open House event Saturday June 4th.

Click the link below and register TODAY.

Directions: This safety seminar is part of the Dutchess County Airport Open House. The seminar will take place in the Main Terminal. You may Drive in or fly in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
