

Winter Operations for General Aviation Pilots

This seminar will provide a review of safe winter operations from preflight, taxi, takeoff and landings. How to avoid most common hazards that occur when flying in the winter.

<http://www.faa.gov/tv/?tag=winter%20flying>

Directions: The seminar will be located in Hanger A, Unlimited Aircraft. This is the hanger to the right of the Airport office. Aircraft parking available on ramp area.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
