

The FAA Safety Team presents:

# **Aviation Law - What Pilots Need to Know**

Pilots are expected to know and follow the Federal Aviation Regulations but have likely never heard about other important legal rights and responsibilities necessary to protect themselves professionally and financially. Using case studies, this session will educate participants about standards of conduct for pilots, determination of fault following an accident or incident, investigation procedures of the FAA and National Transportation Safety Board, insurance coverage requirements, legal relationships between pilots and employers, and other relevant issues. Bring your questions to ask an aviation lawyer.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2017. These sessions are FREE to all HELI-EXPO 2017 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2017 and receive a certificate of recognition for completing the 2017 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.
2. At the conclusion of each session, receive an

## Event Details
