

Preventative Maintenance - What Maintenance Is An Owner Allowed To Do?

Dinner (optional) and presentation. This is an opportunity to meet other pilots and aircraft owners, have a wonderful dinner and learn what maintenance an aircraft owner is allowed to do legally to their aircraft to reduce operating costs and improve safety.

There is a cost for the dinner which includes choice of Chicken or Beef entrée, salad, potato, vegetable, soft drinks, dessert and coffee. Please contact the OCPA for the cost of the dinner.

Directions: Parking is in the rear of the building. The meeting will be held in the Banquet Room
