

FAA Safety Team ; Teterboro FSDO presents:

17th Annual TEB PAMA/FAA IA Workshop

This is the 17th year that the Teterboro Chapter of PAMA (Professional Aviation Maintenance Association) and the Teterboro Flight Standards District Office have teamed up to produce an interesting and informative IA Seminar. This event will offer 8 hours of approved IA refresher training in accordance with the regulatory requirements (FAR 65.93 (a)(4), FAA policy and maintenance training that directly relates to maintenance, inspection, repair or alteration of aircraft products, systems, components and/or accessories. This training is also eligible for the FAA AMT Awards Program. Please see the "Additional Event Information" below for details and how to register for this event TODAY. NOTE: While this seminar is structured for Mechanics with Inspection Authorization (IA's), it is open to any interested mechanic.

Directions: The event will be held inside the C&W Aero Services hangar. Parking across the street. PLEASE DO NOT park in front of Paragon or Century Air.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
