

Date change-WEATHER CFI Open Forum

At this event we will discuss best practices for teaching Airworthiness Awareness in the hope that students will learn how to avoid system/component failure events. We also talk about best practices for systems operation and how to prepare students to deal with an engine failure in flight. This is a forum so your participation is essential to success. We really need to hear from you so be sure to join in the discussion.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: First hall on the left. The Conference room is down the hall on the right.
