

FAA Safety Team and the Teterboro FSDO presents:

IMC Club Meeting - Mastering the Art of Instrument Navigation

IMC offer this organized “hangar flying” which is focused on building proficiency in instrument flying. We believe that safety and proficiency are developed through shared experiences. Our monthly meetings use real world scenarios to engage participants to share and build their experience. Monthly meetings offer an opportunity to share flight experiences and valuable safety tips. We believe that safety and proficiency are developed through shared experiences. You do not have to be instrument rated to attend.

Through the FAA Safety Program, aviation professionals offer informative WINGS presentations. You do not have to be an instrument rated pilot to attend.
