

FAA Safety Team ; Teterboro FSDO presents:

## **18th Annual TEB PAMA/FAA IA Renewal workshop**

This is the 18th year that the Teterboro Chapter of PAMA (Professional Aviation Maintenance Association) and the Teterboro Flight Standards District Office have teamed up to produce an interesting and informative IA Seminar. This event will offer 8 hours of approved IA refresher training in accordance with the regulatory requirements (FAR 65.93 (a)(4), FAA policy and maintenance training that directly relates to maintenance, inspection, repair or alteration of aircraft products, systems, components and/or accessories. This training is also eligible for the FAA AMT Awards Program. Please see the "Additional Event Information" below for details and how to register for this event TODAY. NOTE: While this seminar is structured for Mechanics with Inspection Authorization (IA's), it is open to any interested mechanic.

**Directions:** The event will be held inside the C&W Aero Services hangar. Parking across the street. PLEASE DO NOT park in front of Paragon or Century Air.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
