

The FAA Safety Team presents:

**North Philadelphia Helicopter Safety Conference Helicopter  
Safety Alliance**

Attention all helicopter Managers, Mechanics and Pilots! Join us for the very latest information on the safety issues facing the rotor craft industry presented by some of the top industry experts in their field. A panel of experts from Manufacturers, Helicopter Safety Alliance, FAA Safety Team, PHL FSDO , New Jersey State Police will discuss local issues affecting helicopter pilots, accident trends, personal risk assessment, safety initiatives, and many more topics relevant to all operators. This is going to be an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions, and have your voice heard. What you learn may save your life!

**Directions:** Look for signs indicating conference room number.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
