

FAASTeam presents:

IMC/VMC Monthly Club Meeting at Lincoln Park NJ

Designed for both IFR and VFR Pilots interested in becoming Instrument Rated.

Based on in-flight experiences of both IFR and VFR Pilots in varying weather conditions from hard IMC to MVFR.

Based on numerous IMC and VMC flight experiences collected by the Experimental Aircraft Association.

Regular monthly webinar/zoom meetings will be conducted until seminar/gatherings are permitted and in conformance with Federal and State COVID-19 compliance.

Directions: Registration is not available on FAASafety.gov for this webinar. Please register using the ZOOM link provided below:

<https://us02web.zoom.us/join/register/tZMofumgrD0tE9A77OLTJSpmT5EIFszh5qdz>

When registering on ZOOM, please use your FAASafety.gov email address to ensure receiving WINGS credit.

After registering, you will receive a confirmation email containing information about joining the webinar. WINGS credit will be assigned the next day to those attending the full presentation.
