

Hidden Hazards! Preflight Challenge

How thorough is your preflight? Time to put your skills to the test. Join us to see if you will be able to find all the hazards on a rigged Cessna 172.

In this hands-on seminar we will be enhancing your understanding of the preflight and give some practical insight that can be used to bring your preflight to the next level. Will you accept the challenge?

Please arrive 15 minutes early. If you do arrive after the seminar begins please call (973) 575-8220 to gain entry.

Please park in the parking lot at the south end of the field adjacent to the entry gate for Air Fleet's Hangar.
