

The FAA Safety Team presents:

# **Flight Instructor Recurrent Training for Leesburg Area 141 Schools**

FAA Safety Team Flight Instructor Open Forums provide an opportunity for flight instructors, ground instructors, pilot examiners and the FAA Safety Team to meet and discuss one or more of the top ten causal factors in GA accidents. The principle topic for this forum is Stall Awareness and Training; why we teach them, how we teach with the best practices, and common errors. Additionally, we will address specific subjects pertinent to the individual flight schools, as well as the advantage of the WINGS Program for CFIs. Join your flight instructor colleagues and make a difference in aviation flight training safety. This event is open only to Atlantic Airways, LLC and AV-ED Part 141 School personnel. For questions, please contact Larry Smith at [lawrence.g.smith@faa.gov](mailto:lawrence.g.smith@faa.gov).

**Directions:** From the East, take Route 267 to Leesburg. Exit at Battlefield Parkway, continue to the traffic signal. Turn left onto Battlefield Parkway. At the next traffic signal, turn right onto Sycolin Road. Airport 1/2 mile on right.
