

## Washington FSDO Inspection Authorization Refresher Course

As the holder of an Inspection Authorization (IA) or Aviation Maintenance Technician (AMT) certificate, recurrent training is critical to ensuring safe aircraft operations. Don't miss this annual event featuring eight hours of training that qualifies for renewal of your Inspection Authorization, as required per FAR 65.93(a)(4). This event additionally qualifies for AMT Award credit (find out how at the event). All IAs and AMTs are encouraged to attend. See you there!

**Directions:** Take exit 44 off Rte. 66 onto Rte 234 (Prince William Pkwy). Continue straight ahead and follow signs to Rte 28 North. Turn left onto Rte 28 North. Turn right onto Godwin Drive and right again onto Gateway Blvd. Continue across the railroad tracks. Capital Aviation is on the right just after the Colgan Airlines hangar. Parking is located in front and on the sides.
