

FAASTeam presents:

The Ins and Outs of ADS-B

Alex Rodriguez, Aerospace Engineer with the FAA, will be speaking about ADS-B. He will be discussing what ADS-B is, how it works, why we need it, who has to comply, when you have to be ADS-B compliant, and what equipment is needed in your airplane. There will be a short question and answer period after the seminar is over. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: Seminar will be held at Dulles Aviation, located on the west ramp, in the classroom.
Directions From I-66 Take Exit 44 - Route 234 South (approach signs to the exit may mention Prince William Parkway). After approximately 8.5 miles, turn right at the Clover Hill Road light. Clover Hill Road will turn into Harry Parrish Boulevard. The intersection of Harry Parrish Boulevard and Wakeman Drive will put you at Manassas Regional Airport.
Directions From Route 28 Turn south onto Godwin Drive. Just beyond the Virginia Department of Motor Vehicles building, turn right onto Gateway Boulevard. Stay in the left hand lane of Gateway Boulevard. After you cross the railroad tracks, Gateway Boulevard becomes Wakeman Drive and you are at the Manassas Regional Airport.
