

## Improving Your Effectiveness as an Instructor

During this seminar, we will use recorded flight instruction audio and video excerpts as the basis of authentic role-play to make you a more effective instructor. Drawing on over 100 hours of recorded instructional flights, Dr. Tuccio has collaborated with Dr. Maurice Nevile (author of Beyond the Black Box: Talk-In-Interaction in the Airline Cockpit) to develop the presentation, delivered using Elizabeth Stokoe's Conversation Analytic Role-play Method (CARM). The intended audience is Certified Flight Instructors.
