

# Pilot Plus One - Making the Aircraft a Centerpiece of Your Relationships

Fun and learning for both pilot and companion Discover how to use the aircraft to build great experiences with fun destinations, photography, and getting the most out of where and how you fly Address the fear of flying that both pilot and passengers may feel Teach non-pilots how to participate and help their pilot companion Learn about safety and emergency preparedness to make the companion pilot confident and secure

**Directions:** Follow the signs to AOPA's Aviation Experience Pavilion

## A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
