

2018 Friday Workshops

These three-hour sessions provide hands-on opportunities to roll up your sleeves and deepen your skills in one of 7 subjects: Owner-Performed Maintenance, VFR Backcountry Flying, IFR Beginner/Rusty IFR, Aviation Photography, VFR Advanced: 500 Miles and Beyond, IFR Advanced, Why Good Pilots Make Bad Choices

Directions: Follow the signs from general parking to workshop locations.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
