

New eVTOL Codes/Regulations/Guidelines/and Good Practices for Heliports and Vertiports

We will examine the current state of progress of aircraft certification with the FAA on this next generation of aircraft. Issues related the new EVTOL landing area regulatory and operational challenges and how the FAA, the National Fire Protection Agency, and the American Society for Testing and Materials are planning for them.

Directions: Hall B

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
