

## Leesburg Area CFI-DPE-Pilot Forum

This is your chance to ask questions and engage in conversation with CFI's, DPE's, and FAA personnel (Operations and Airworthiness). The evening will begin with a presentation of the listed topics as they relate to Leesburg Airport and continue with plenty of time for a robust question and answer session. If you have questions, comments, or concerns about flying in and around the Leesburg area, questions concerning airworthiness items on your aircraft, or questions about flight instruction and check rides, this is your chance to share them and get answers.

**Directions:** \*CHANGE\* The event will be held in the main lobby at the Leesburg Executive Airport.

### A message from the National FAASTeam Manager
