

How To Survive A Ramp Check

During this event we will discuss under what conditions the FAA conducts ramp checks, items that are looked at during a ramp check, and give examples relating to component condition and inspection. We will also review the required documents that must be carried on board the aircraft.

Directions: Event is located in the One Loudoun shopping area just south of Rt. 7.

If traveling northbound on the Loudoun County Parkway, turn left on Russell Branch Parkway. Go one block and turn right on to Exchange Street and follow to destination, which will be on your right.

If traveling on Rt. 7, take the Loudoun County Parkway exit south. Take the first right on to Thorndike Street and follow to Exchange Street. Destination will be on your right.
