

## Information for SPANS entry for Wings Event

Date: March 4, 2020

Sponsor: Smokehouse Pilots Club

Location: City Tap Loudoun  
20376 Exchange Street  
Ashburn, VA 20147

Seating: 50 seats in the restaurant meeting room

Topic: How to Survive a Ramp Check

Speaker: Mike Schwartz

Times: 1730-1930 (Food and drink are available for purchase. Actual program begins approximately 1800. This event is being conducted concurrently with the Smokehouse Pilots Club monthly Speakout.)

Fly-in seminar: No but the nearest airport to event is KJYO.

Brief Description: During this event we will discuss under what conditions the FAA conducts ramp checks, items that are looked at during a ramp check, and give examples relating to component condition and inspection. We will also review the required documents that must be carried on board the aircraft.

Credit: This topic has been awarded one wings credit previously.
