

IMC - Mastering the Art of Instrument Flying

The IMC Club's purpose is to promote instrument flying, proficiency, and safety. The intent is to create a community of pilots willing to share information, provide recognition, foster communications, promote safety, and build proficiency in instrument flying. IMC Club chapters offer monthly meetings in which pilots can network and share knowledge and experiences.

Directions: Route 234 to 28 South. Left on Piper Lane. Parking in the parking lot behind the tower. (Do not park in the parking spots marked FAA.) There is a doorbell by the gate in the fence, someone will come out and let you in.

A message from the National FAASTeam Manager
