AOPA Rusty Pilots -ONLINE WEBINAR

Once a pilot, always a pilot...But, if you're feeling a little Rusty...

You might be like more than 500,000 other pilots (that's right, half a million), who have taken a break from flying. The good news is that getting back to flying is easier than you think. So, what does it take to get back in the air? Some flight and ground instruction No FAA check-ride or test You may not even need a medical

Join us for a fun, interactive webinar that will give you all the information you need to get current again. As a webinar participant, you'll get 2 hours of ground instruction toward completing your flight review and valuable handouts so you can review what you've learned. We'll help you brush up on your aviation knowledge and understand what's changed since you last took the controls.

Directions: Please register for this event through the AOPA registration link provided below.
