# **Crew Resource Management in Air Medical**

Working with non-aviation personnel can make air medical crew resource management (CRM) challenging. This course will illustrate how pilots can successfully navigate CRM with non-aviation crew members to enhance decision-making, teamwork, and communications.

**Learning Objectives:** By the conclusion of the course, participants will have learned: The important role of crew resource management in the air medical sector The pilot's expectations of medical crew members How to avoid common communication pitfalls.

This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2022. These sessions are **FREE** to all HELI-EXPO 2022 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2022 and receive a certificate of recognition for completing the 2022 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <https://heliexpo.com/hai-education/>.
2. At the conclusion of each session, receive an official token from the room monitor or presenter.
3. Once you have earned at least six tokens, drop
