

Washington FSDO FAASTeam presents:

Culpeper (KCJR) and Warrenton-Fauquier Airport (KHWY) - Airspace with a Little Bit of Everything

The Washington FSDO FAAS Team will be hosting a Culpeper (CJR) and Warrenton-Fauquier Airport (HWY) aviation safety virtual event. This safety webinar will include topics relevant to operations at non-towered airports and we will discuss safety related issues pertinent to operations on and in the vicinity of these airports.

Representatives from each of the major user groups will be in attendance to discuss standard operating procedures specific to their operation, including: Flight Training Operations Aerobatic Operations Skydive Operations
Representatives from the Airport Management and the FAA will also be in attendance

Directions: This webinar is being held via Zoom on Wednesday, March 16th, at 7 PM (EDT)
If you wish to receive WINGS credit for this event, please use your faasafety.gov email when registering.
