

Washington FSDO FAASTeam presents:

## **Manassas Airport Local Area Airspace Update**

This webinar will be led by local Air Traffic Control professionals and provides information for safe operations in the Manassas VA flying area. There will be an opportunity to ask questions to ATC professionals from Manassas Tower and Potomac Approach Control. If there is something that you have always wanted to know about how things work around here, join and find out! Pilots, CFIs, DPEs, and everyone in between are welcome.

**Directions:** This webinar is being presented via Zoom . Registration for the webinar is completed by clicking on the link below.
