

Leesburg Maneuvering Area Refresher

This webinar provides a thorough review of operating procedures for the Leesburg Maneuvering Area. Due to the Leesburg Maneuvering Area location, the presented material will also cover operational procedures for the Special Flight Rules Area. This is a good review for anyone operating in the vicinity of the Leesburg Executive Airport, as well as for anyone transiting through this area.

Directions: This webinar is being held via Zoom. Click on the link below to register for this webinar.
