

IMC - Mastering the Art of Instrument Flying (SEMINAR)

We will discuss what information should be read back to ATC based on the Airmen Information Manual and Regulations. We will also discuss the importance of making a proper and timely go-around decision, and how to make that decision a little easier.

Follow GPS directions to Manassas Airport address listed below:

10629 Observation Road, Manassas, VA 20110. From Rt. 28, turn onto Piper Lane. The road will change name to Observation Road. Continue on Observation Road until reaching the parking lot below the control tower. If you are facing the control tower you will see a walk-through gate in the fence to your right. If this gate is not open call TR Proven at 703-946-9423 to gain access.
