

Operation Rain Check - Potomac TRACON (Afternoon Session)

Operation Rain Check is back and once again you will have the opportunity to tour Potomac TRACON and see the inner-workings of this facility. Controllers will provide a welcome briefing to guests followed by a tour where you will see Air Traffic Controllers working their assigned sectors. You will see the radar scopes they use to watch the aircraft, watch as they manage the aircraft through their sector, and you will be able to ask questions during the briefing and during the tour.

The Virginia Aviation Ambassador Stamp will be available for those interested.
